Notice Published June 28, 2022

NOTICE IS HEREBY GIVEN that the California Department of Conservation (Department) has made a modification to the text of the proposed regulations in the rulemaking action entitled *Division of Mine Reclamation Lead Agency Electronic Document Submittal Regulations*. A public comment period on the originally proposed regulations was held from January 21, 2022 through March 9, 2022, pursuant to the Notice of Proposed Action emailed to all interested parties and duly published in the California Regulatory Notice Register on January 21, 2022 (Register 2022, No. 3-Z, 01/21/2022) with a correction to the date from 2021 to 2022 pursuant to the Corrected Notice of Proposed Action duly published in the California Regulatory Notice Register on February 4, 2022 (Register 2022, No. 5-Z, 02/04/2022).

A copy of the revised text is available on the Department's Internet Website at: <https://www.conservation.ca.gov/index/Pages/rulemaking.aspx#dmr> or may be obtained by contacting Chris Hansen, Regulations Manager by phone at (916) 322-3080, or by mail or email at the addresses listed below.

The revisions to the originally proposed text of the regulations modify section 3504 of Title 14 of the California Code of Regulations, division 2, chapter 8, pertaining to documents related to mine operations that must be filed with the Department by lead agencies as provided for in Public Resources Code (PRC)

section 2774.2.5. The Department considers these revisions to be sufficiently related changes as defined in California Code of Regulations, title 1, section 42.

COMMENT SUBMISSION

Any person or their authorized representative may submit written statements, arguments, or comments regarding the revision to the proposed text of the regulations by submitting written comments no later than **11:59 p.m. on July 12, 2022**.
